

An Invitation to *Contribute to* ASCE Journals

Consider the Journal of Architectural Engineering as a Venue for Your Work

5 Reasons to Publish with ASCE Journals

- **AUTHORITY**
ASCE journals are led by experienced researchers and practitioners attracting high-quality papers.
- **IN DEMAND**
ascelibrary.org contains over 90,000 articles and attracts over a million visits per month
- **RAPID DISSEMINATION**
Papers are posted within 72 hours of acceptance.
- **WIDE DISTRIBUTION**
More than 3,500 institutions in 125 countries have access to ASCE journals.
- **HIGH DISCOVERABILITY & ACCESSIBILITY**
Content is indexed in all major services including Google Scholar, Engineering Information (Ei), ISI Web of Science, CrossRef, EBSCOhost, and ProQuest.

Editor: Ece Erdogmus, Ph.D., A.M.ASCE
University of Nebraska-Lincoln

Aims & Scope: ascelibrary.org/aeo
Submit Papers: www.edmgr.com/jrmaeeng
Email: journal-services@asce.org

For more details on how to submit papers to ASCE journals, please visit www.asce.org/journals

New Section in the *Journal of Architectural Engineering*:

Housing and Residential Building Construction

Special Section Editor: Ali Memari, PhD, P.E.
Pennsylvania State University

See reverse for more details on the new section.

New Section in the *Journal of Architectural Engineering* **Housing and Residential Building Construction**

Special Section Editor: Ali Memari, PhD, P.E., *Pennsylvania State University*

The journal is seeking contributions to this new regularly occurring section covering single- and multi-family dwellings, mid-rise and high-rise apartment buildings, dormitories, and hotels/motels. Topics of interest include:

- Residential construction, materials, components, systems, and processes
- Modular and manufactured housing
- Application of building science and waterproofing in dwellings
- Serviceability and safety issues
- Energy efficiency and sustainable design
- Smart home technology
- Man-made and natural disaster effects on residential buildings
- Temporary housing, housing for elderly and home-care patients
- Retrofit design and construction of residential buildings

Submit your paper to this special section at www.editorialmanager.com/jrnaeeng

What's in ASCE Library?

ASCE Publications on **Architectural Engineering**:

- *Journal of Architectural Engineering* has more than 500 professional papers with over 2,000 full text downloads a month
- More than 6,000 technical papers in ASCE journals and proceedings reporting on the latest trends in architectural engineering
- New e-book titles in architectural engineering (Launch in May 2013)

ASCE Library is the largest, most comprehensive peer-reviewed collection of civil engineering research and application-oriented content.

How Do I Access ASCE Online Journals and Proceedings?

- 🔍 **Personal Access:** **ASCE LIBRARY CARD**—Create a personal collection based on your current research needs! Select and download a set number of articles (5 or 20 downloads) from across ASCE's complete collection of 33 peer-reviewed journals or more than 315 proceedings titles. To order or for more information, visit ascelibrary.org.
- 🔍 **Corporate Access:** **ASCE LIBRARY ON DEMAND** Need corporate-wide access to ASCE Journals and Proceedings for your staff engineers? To find the right package for your company, e-mail marketing@asce.org.
